

## PRESS RELEASE

### ***Children's Technology Workshop now open in Bangsar!***

*Kuala Lumpur, 10 October 2007* – The Children's Technology Workshop (CT Workshop) HQ is now open in Bangsar! The new workshop at Bangsar Village 1 (First Floor, near *Toys 'r' Us*, *Gymboree* and *MPH*) is a state-of-the-art venue that occupies an area of 1,200 sq. ft., with materials and software brought in exclusively from Canada.

CTWorkshop is a unique creative technology program which aims to channel kids' interest in technology into constructive and creative activities, covering Animation, Digital Art, Engineering & Robotics and Video Game Creation. CTWorkshop also offers extra-curricular activities at selected leading schools, including Alice Smith, the Australian International School, ELC, Garden International School, ISKL, Mont Kiara International School, SK Bukit Damansara, Sekolah Sri KDU and The Children's House.

In conjunction with the Bangsar Village launch, CTWorkshop is offering a variety of opening specials. One of the highlights is the *Whizard's Pass*, which gives kids unlimited entry to ALL Weekly Workshop Clubs! Any time, any day, any class at only RM150 per month (RM120 for Members). And if you opt for the regular Weekly Workshop Clubs, enjoy the 50/50 promotion, where you can get RM50 off, if you're one of the first 50!

With school holidays just around the corner, our famous school holiday program, *icamp*<sup>TM</sup>, will be back in November, at both the Bangsar Village HQ and the Centrepont Branch in Bandar Utama. *icamp*<sup>TM</sup> (for kids aged 6-14) offers one full-day or five half-days (Monday to Friday) of hands-on projects using the latest technology, allowing children to explore, invent and create. Seats are limited, so book your places now! Free thumb drives will be given for the first 20 kids to sign up for *icamp*<sup>TM</sup> at Bangsar Village...

CTWorkshop will also have an Open House, on Monday 29th October to Friday 3rd November 2007 from 2.00pm -6.00pm. So do drop by our new home in BV 1 with your kids, for free trial workshops, exciting activities and demos.

You can also visit our website <[www.ctworkshop.com.my](http://www.ctworkshop.com.my)> for the latest events, promotions and the current timetable, featuring all our popular workshops: *Engineer*, *Gamemaker*, *Animation* and *Robotics*. Weekly Workshop Clubs run on weekday afternoons and all day at weekends (weekends only during the school holidays).

#### **About Children's Technology Workshop**

Children's Technology Workshop is a company founded in Canada focused on the development of high-quality curriculum, software and children's programs. We conduct classroom workshops, holiday camps, after school workshops and parties for children, aged 4-14. We have been building our curriculum since 1997 and we currently operate in cities across Canada, the United States, Hong Kong, China and Singapore. CTWorkshop Malaysia's HQ is now at: F-3D, 1st Floor, Bangsar Village 1, 1 Jalan Telawi Satu, 59100 Kuala Lumpur, with a branch at F106 Centrepont (New Wing), Bandar Utama.
